

John Harrison CE Primary School

During the academic year 2017/18 we will receive a total sports premium funding of **£17520**.

The children of John Harrison CE Primary School will be able to take the responsibility to lead healthy and active lives. They will show respect for themselves and others, endurance, friendship and a passion for sport. Our children will understand that they can achieve success through effort.

Item/spending	Amount spent	Impact	Sustainability
Quality of teaching			
BSSP membership(gold package)	£	This enables us to come together as a cluster for training both for CPD for all teachers and training as a subject leader. It also allows access to competitions - football, athletics, all stars and trips such as the EIS. <i>Reason for upgrade from silver last year as no PAM this year.</i> Within this package school also receive support from Owen Denovan	Subject leader- confident in what good practise looks like. Good networks established. 

		for one full day to look at teaching of PE and assessment of children plus staff meeting. Addition this year is an individual responsible for arranging all events and training.	
Subject leader CPD (supply cover)-BSSP 22 nd Sept 2017	£100 supply cover	Discussion of new events and competitions. Planning events for the cluster to take part in and discuss training opportunities.	Confidence and information for subject leader.
Subject leader CPD and head teacher (supply cover)-conference in Hull October 2017	£300 supply cover	Discussion of new events and competitions. Ideas and information given about the active playtimes and how to engage pupils. Head teacher attended too to ensure whole school message.	Confidence and information for subject leader.
Squash coach to work with all of Year 3 over series of weeks	£ per hour	<i>Children engaged (In Year 3 all children were enthused and joined in every session)</i>	As above teachers left with squash skills and games and activities which they can draw on in the future.
Gym coach to work with year 5 and 6 Autumn term (followed by Y3 and 4 Spring and the Y 1 and 2 and foundation Summer) CPD of staff and increase skills of children		All children engaged and participate. 	Teachers to record children's achievements from lessons to use in future teaching and all lesson plans written up and kept for future teaching. (Research gym resources advised by coach)
To organise	£800 including		Life skills and enjoyment.

Extra swimming provision for children in Y4,5 and 6 who did not achieve 25m (National Curriculum expectation) plus pre learning for inexperienced Y3 swimmers	teaching and transport and staffing		This is something that we will look at providing each year. It allows the children who need the over learning as well as nervous or non-swimmers from year 3 to pre learn before their year 4 swimming sessions.
To do continue to improve provision from last year New PE kit x8 bought full kits plus shoes and outdoor kit	£200	We are finding that some children become regulars at not having the appropriate kit to access all PE comfortably.	We have purchased 8 complete sets of PE kits and shoes. The next step is to purchase 4 more so each KS2 class can have 2 spare kits each in their classroom. This will enable all children to access their 2 hours of quality PE lessons.
To do Purchase gum shields x 60 for each child in year 5 and 6 plus shin pads for both classes		Each child will then be protected when they take part in competitive sport (as stated in Safe Practice in Physical Education, School sport and Physical activity)	
Participation in clubs and competitions			
Year 5 sports force leaders training at the Pods	Travel £100	All children in the enjoyed the experience and were engaged in the activities. They shared skills in Ambassador training.	Life skills. Children take the skills of athletics into their sporting lives but also the element of competition, team work and perseverance.
Year 2 Tiggy Tag competition at Baysgarth. October 2016	Travel £100	<i>"It was the best day ever"</i> Year 2 child	Life skills and increased confidence. These same children are now inspired to take part in new activities and future competitions such as the

			swimming gala and sports day.
KS2 cross country event at Baysgarth. November 2017 (delayed to Jan 2018 due to weather)	Travel £100 and supply cover		Increased confidence and a definite attitude to keep going even when things are tough. Supportive of team mates.
KS2 swimming competition Feb 2018 (12 children)	Travel £100 and cover for teacher		Life skills. Supportive of team mates and celebrated highs and lows of other teams.
Y4 indoor athletics competition at Baysgarth.	Travel £100		We are an inclusive school and so we look the whole year group. Children understand how to support team members and the understanding of the competition.
Sports Ambassador training club	No cost using sports force trained leaders and CD share knowledge and skills from another leadership programme	Great games. New warm ups and cool downs- all engaged in discussion of new rules and game adaptations. Ambassadors took ownership of the floor book.	Children all engaged and now complete either silver or bronze level training . Awards to be presented. Children all created and signed contract to ensure good attitude and skills in future.
To do- April 2017 Year 1 and 2 swimming gala at Baysgarth	Travel £50	Summer term	Life skills and increased confidence
Gymnastic club KS2 boys	All clubs are subsidised so that parents pay £2.50		As all clubs are subsidised or free it means that more children can access these. Children engaged with the
Taekwondo KS2			
Gym breakfast club coming soon			

Squash club coming soon Multi skills club KS1 spring term Dance club Breakfast club (Spring 2018) Rushby Dance club	per session. Pupil Premium children attend for free.	"I have learnt a lot, I can now do a cartwheel" Year 2 child 	sports. We also use coaches from outside clubs which gives our children links with clubs in the community.
Enjoyment of Sport			
Water safety training Y4 to organise	Included in package from BSSP	All children in Year 4 able to explain how to keep safe near water and what to do in an emergency.	Children have learnt life skills which will hopefully keep them safe.
Continued from last year- Summer and Easter active challenge for children to complete at home	£100 prizes	Children are more active during the school holidays. They have a list of active challenges (all tasks which do not require lots of equipment so all children can access them). Children very keen and engaged with the challenge, When challenge sheets given out in whole school worship and	Life skills and broader knowledge. Teaching the children and families that active lives can be easy to achieve. The tasks are simple and fun but enable the children to be more active. This challenge system is to continue in each of the main school holidays with rewards given for

		told that the children needed to complete 10/17 challenges a Year 3 asked <i>"Can we do them all?"</i>	children who achieve.
Active prizes	£300 prizes	Children identified as being extra active at playtimes are rewarded in whole school worship and prizes presented. Some prizes bought and others donated to encourage use of local facilities.	Encourages other children to try a little harder and engages parents with the process as photos and explanations put on website.
Continued from last year- All children and teachers are to walk/run a mile at least once a week from Easter holidays.	No cost
