

John Harrison CE Primary School

During the academic year 2018/19 we will receive a total sports premium funding of **£17250**.

The children of John Harrison CE Primary School will be able to take the responsibility to lead healthy and active lives. They will show respect for themselves and others, endurance, friendship and a passion for sport. Our children will understand that they can achieve success through effort.

Item/spending	Amount spent	Impact	Sustainability
Quality of teaching			
BSSP membership(gold package)	£5680	This enables us to come together as a cluster for training both for CPD for all teachers and training as a subject leader. It also allows access to competitions - football, athletics, all stars and trips such as the EIS.	Subject leader- confident in what good practise looks like. Good networks established. 
Subject leader CPD (supply cover)-BSSP x2	£100 supply cover x2 Total £200	Discussion of new events and competitions. Planning events for the	Confidence and information for subject leader.

		cluster to take part in and discuss training opportunities.	
Subject leader CPD and head teacher (supply cover)- conference in Hull October 2018	£300 supply cover and 2 tickets	Discussion of new events and competitions. Ideas and information given about the active playtimes and how to engage pupils. Head teacher attended too to ensure whole school message.	Confidence and information for subject leader.
Squash coach to work with all of Year 4 over series of 4 weeks	£40 per hour Total £320	Children engaged (<i>In Year 4 all children were enthused and joined in every session</i>)	As above teachers left with squash skills and games and activities which they can draw on in the future.
Gym coach to work with Y1, 2, 3, 4, 5 and 6 to assess children's capabilities to achieve BAGA 8 and 7. CPD for Y4 teacher as new to team and then all staffed trained.	Total £300 + BAGA badges for children £100	All children engaged and participate.  Alison pleased with level of skill from children and competence of staff.	Teachers to record children's achievements from lessons to use in future teaching and all lesson plans written up and kept for future teaching.

Golf coach	free	Y,2,3,4,5,6 all children and staff worked with coach to increase golf skills.	Increased skills and new sport introduced.
Extra swimming provision for children in Y4,5 and 6 who did not	£800 including teaching and	Children gaining skills and course available to them next year if needed.	Life skills and enjoyment.

achieve 25m (National Curriculum expectation)	transport and staffing		This is something that we will look at providing each year. It allows the children who need the over learning as well as nervous or non-swimmers from year 3 to pre learn before their year 4 swimming sessions.
To do continue to improve provision New PE kit x8 bought full kits plus shoes and outdoor kit	£200	We are finding that some children become regulars at not having the appropriate kit to access all PE comfortably.	We have purchased 8 complete sets of PE kits and shoes. The next step is to purchase 4 more so each KS2 class can have 2 spare kits each in their classroom. This will enable all children to access their 2 hours of quality PE lessons.
Physical activity training with Owen each term looking at school priorities	£250 x 3 Total £750	All children engaged with learning and active.	All staff trained. So all staff have techniques and activities to draw upon. Children more active and more engaged in learning.
Kate Hill PE expert worked with all staff from Y1, 2, 3,4 ,5 6- focus on games	£1000	Kate worked with each class teacher to give advice how to improve sessions, challenge all children and support SEND	All children engaged. Staff confidence and skills increased.
Healthy schools- once each week Jess has attended school and provided us with lots of training and information.	£4000	Jess has covered topics such as portion size, choice of foods, every contact counts. As well as Healthy hero club, fun run and It's catching.	Children's knowledge improved and shared with parents. Jess sent home lots of information and did an information table at the Summer fair.
Participation in clubs and competitions			

Year 5 sports force leaders training at the Pods	Travel £100	All children in the enjoyed the experience and were engaged in the activities. They shared skills in Ambassador training.	Life skills. Children take the skills of athletics into their sporting lives but also the element of competition, team work and perseverance.
Year 2 Multi skills competition at Baysgarth. October 2018	Travel £100	Lots of children acquired new skills. Enjoyment.	Life skills and increased confidence. These same children are now inspired to take part in new activities and future competitions such as the swimming gala and sports day.
Y6 cross country event at Baysgarth. November 2018	Travel £100 and supply cover	Lots of children acquired new skills. Enjoyment. Confidence. Won first place.	Increased confidence and a definite attitude to keep going even when things are tough. Supportive of team mates.
KS2 swimming competition Feb 2018 (12 children) 2 competitions Baysgarth and Pods	Travel £300 and cover for teacher	Won first place in Baysgarth Cluster and children's confidence increased. Entered next round- self-belief, confidence	Life skills. Supportive of team mates and celebrated highs and lows of other teams.
Y5 Brownlee triathlon at Hymers.	Travel £100	All children participated even when struggling with 1 of the events- swim, run, cycle. 	We are an inclusive school and so we look the whole year group. Children understand how to support team members and the understanding of the competition.
Y4 orienteering at Baysgarth	Travel £100	All children participated even though some children very nervous of the events	Great self confidence boost and supporting transition to secondary and other sporting events.

Y6 Primary Olympic Costello Stadium	Travel £150	New events led by sports leaders from Baysgarth- all children engaged. Won second place.	Great transition event for secondary school and other sporting events.
Sports Ambassador training club	No cost using sports force trained leaders and CD share knowledge and skills from another leadership programme	Great games. New warm ups and cool downs- all engaged in discussion of new rules and game adaptations. Ambassadors took ownership of the floor book.	Children all engaged and now complete either silver or bronze level training. Awards to be presented. Children all created and signed contract to ensure good attitude and skills in future. 3 gold awards achieved, 5 silver and 14 bronze.
Emotional wellbeing coach	£1800	2 blocks of sessions to work with children who are struggling with their own self-belief and confidence. Used to support children from Y1-6 Full class teaching sessions	Children enthusiastic about going, keen to join in and positive to continue. Report to follow for each child involved.
Year 1 fun splash at Baysgarth	Travel £100	All children participated in the water fun activities (6 children had previously not been in the water)	Life skills and increased confidence
Healthy Hero club	Within Healthy school budget	Jess worked with the less active children to encourage them to take part in physical activity.	Parents on board as to why children were chosen. Confidence improved. Children more active.
Squash club- Barrow squash club	All clubs are subsidised so that parents pay	"I loved learning the dance"	As all clubs are subsidised or free it means that more children can access
Taekwondo KS2/ KS1- Empire		"We had lots of competitions in tennis, I got better"	

Multi skills club	£2.50 per session. Pupil Premium children attend for free. £500		these. Children engaged with the sports. We also use coaches from outside clubs which gives our children links with clubs in the community.
Dance club Breakfast club - Rushby Dance club Tennis club- Barrow squash club		"I have learnt a lot, I can now do a cartwheel" Year 2 child 	
Enjoyment of Sport			
Water safety training with Y3 and 4	Included in package from BSSP	All children in Year 4 able to explain how to keep safe near water and what to do in an emergency.	Children have learnt life skills which will hopefully keep them safe.
Continued from last year- Summer and Easter active challenge for children to complete at home	£200 prizes	Children are more active during the school holidays. They have a list of active challenges (all tasks which do not require lots of equipment so all children can access them). Children very keen and engaged with the challenge, When challenge sheets given out in whole school worship and told that the children needed to complete 10/17 challenges a Year 3 asked "Can we do them all?" Most participation yet!	Life skills and broader knowledge. Teaching the children and families that active lives can be easy to achieve. The tasks are simple and fun but enable the children to be more active. This challenge system is to continue in each of the main school holidays with rewards given for children who achieve.

Get glowing event	Included in BSSP cost	All children involved in activities in the dark with glowing T shirts and equipment.	Amazing atmosphere all children engaged and enthused .Even the non active loved the event.
Active prizes	£300 prizes	Children identified as being extra active at playtimes are rewarded in whole school worship and prizes presented. Some prizes bought and others donated to encourage use of local facilities.	Encourages other children to try a little harder and engages parents with the process as photos and explanations put on website.
Dance showcase at the Baths Hall Scunthorpe	£200	Children participated on the stage- non-competitive element has encouraged some to take part that may not normally. All enthusiastic. 	All children engaged and enjoyed the event. Parents watched. Self-confidence increased.
Scooter and Skateboard event	£550	Whole day event- KS1 and foundation scooter skills and tricks, KS2 skateboards. All children engaged. "Best day ever!" "I am going to spend my Birthday money on a skateboard"	Children engaged to try a new "extreme" sport. Up skilled. Children also aware of the safety equipment needed and how to use it.

			
Continued from last year- All children and teachers are to walk/run a mile at least once a week.	No cost	Children more active. Able to choose own method- walk or run so personal challenge rather than race.	Fitness levels increased in staff and children.
Colour run with Y3 at the Pods	Within the BSSP package Transport £200	 All engaged with no competition element. Enjoyment.	All children full of self-belief. All engaged and confident to take part in next event. Re book next year.
It's catching	Within the BSSP package	All children in the school to learn skipping skills. Practise and challenges set. Personal challenge.	Life skill- upskill pupils. Ball given to every child to enable them to practise at home.
